CO-CURRICULAR TRANSCRIPT

Unofficial Kean University Co-Curricular Transcript

The Co-Curricular Transcript (CCT) is a record of a student's involvement and experiences. The CCT program is designed to encourage significant student involvement in the learning process by documenting academic experiences that take place outside the classroom. The CCT serves to accentuate the student's personal journey and provides a holistic view of a student's skills and abilities. It can increase a student's marketability to prospective employers and graduate schools.
